

Recovery Education Facilitators CHO1 (Cavan / Monaghan)

Specified Purpose Contract – 24 Months

1 fulltime position based in Cavan / Monaghan

The everyday work practices of CHO1 Mental Health Services is underpinned by a recovery and whole system, whole person and whole community approach. Our services are provided through Community Mental Health Teams (CMHT) to adults, children, adolescents, their supporters and family in their own home. Those who present with acute mental health difficulties can access Acute Mental Health Units through a GP referral and Emergency Departments.

We are committed to the implementation of the CHO1 implementation plan for The National Framework for Recovery Mental Health 2018-2020 and are partnering with Mental Health Ireland to develop, deliver and embed Recovery education and practice priorities in our services through the recruitment and employment of Recovery Education Facilitators.

Applicants will have a strong and demonstrable commitment to recovery informed by lived or family member mental health experience and experience of the recovery journey and interest in co-production and recovery education programmes.

The successful candidate must demonstrate:

- *Experience of active interest in mental health recovery education.*
- *Commitment to recovery informed by relevant lived experience or family member mental health experience.*
- *Strong and demonstrable experience of engagement and consultation frameworks and processes.*
- *Knowledge of mental health service provision and context and the principles of recovery.*

This position is offered on the basis of a 24 month fixed term contract, 1 full time Cavan/ Monaghan
