

Access to 'Your First Steps to Mental health & Wellbeing in the Workplace' eLearning module

Step 1: Go to registration page for eLearning Hub

<https://www.mentalhealthireland.ie/elearning/login/>

The first time you access the page you will have to register as a new user. Use the same link to login for subsequent visits.

If you have registered with Mental Health Ireland's website before, we recommend you use a different email address for this registration, as they are two separate registrations, and it might lead to improper functioning of one of them in some cases.
